NOTES ON THE STUDENTS' CONFERENCE.

The Students' Conference was held at Ambleside during the week dating from the 20th of April, and thirty-four ex-students were present.

The programme for the first three days was as follows :

MONDAY.

1. Mrs. Firth's Opening Address.
2. Paper from Miss Mason.
3. Discussion on the P.R.S., in connection with which Papers were read on—
 - (a) The multiplicity of subjects.
 - (b) Proportions of the amount of work set.
 - (c) Preparation of boys for school.
 - (d) Examination papers.

TUESDAY.

- PAPER I.—The question of handwriting.
Discussion on the teaching of modern languages.
- PAPER II.—Brush-Painting.
- PAPER III.—The art of living in other people's houses.
Discussion on L'Umile Pianta.

WEDNESDAY.

- PAPER I.—Our possibilities of expansion.
- PAPER II.—Nature Study.
Two Criticism Lessons.

The Papers read were full of interest, and were almost all followed by animated discussions. Mrs. Firth's opening address was most inspiring, putting before us high ideals, and thoughts of all that is good, beautiful and true.

Miss Mason's Paper, in the form of a letter to "her dear bairns," was then read by Miss Allen, and it gave just the helpful suggestions and encouragement that were needed.

The papers and discussions in connection with the P.R.S. were most helpful. All who were present expressed their warm appreciation of its value, and none would be willing to
